

Family Readiness Assessment Tool

The Purpose of the Family Readiness Assessment Tool is to help the Commanding Officer understand the Marine, Navy and spouses environment.

The answers to this questionnaire are completely anonymous.

Please take the time to fill it out. There is assessment inventory for Marines and Sailors (UAI) and one for Spouses (SAI). Your answers are vital to the Command and the Family Readiness Program. The data collected will help identify strengths and concerns along with tailoring the Family Readiness program to the specific needs of our Marines, Sailors and their families.

When you have completed the assessment, you will be able to view your profile and once you close your browser, your profile is deleted from the system.

Please contact Mr. Marcus White at 229-639-8896, your Family Readiness Officer, if you have any questions or concerns.

Thank you for your participation and support.
