

**MARINE CORPS LOGISTIC BASE ALBANY  
FIREARM REGULATIONS ACKNOWLEDGEMENT FORM**

I \_\_\_\_\_, acknowledge that I have read and understand BO 5530.2 (Possession, Registration, Use, and Sale of Privately Owned Firearms, Weapons, Ammunition, Explosives, Fireworks, and Pyrotechnics). Specifically, I understand the following:

1. All privately owned firearms and weapons will be stored in either my unit armory or my quarters (in accordance with BO 5530.2). Firearms and weapons retained in my assigned quarters will be inaccessible to minors at all times and will be disassembled or locked. A device such as a trigger lock, gun safe, strong box, or cable lock can be used to secure each weapon.
2. Ammunition must be stored separately from firearms.
3. All firearms will remain unloaded until I am actually participating in authorized recreational shooting or hunting.
4. When transporting firearms or weapons, they will be unloaded and secured in the trunk of the vehicle. If the vehicle does not have a trunk (i.e. truck, hatchback, van etc.) the firearms or weapon may be in the passenger compartment inside a locked case or compartment.
5. Under no circumstances will firearms, weapons, or ammunition be permanently stored in a privately owned vehicle aboard the Base.
6. Carrying a concealed weapon is prohibited aboard the Base.
7. Violation of the specific prohibitions and requirements set forth below by service members or civilian employee (including NAF employees) may result in administrative and/or disciplinary action. Service members who violate the provisions of this Order may be prosecuted under the Uniform Code of Military Justice (UCMJ). Any civilian who does the same may be prosecuted in U.S. District Court under Title 18, United States Code, Section 930, Possession of Firearms and Dangerous Weapons in Federal Facilities; Title 50, United States Code, Section 79, violation of Security Regulations and Orders; or under the Assimilative Crimes Act (18 U.S.C. 13).
