The unorthodox Schultz acquires Django with a promise to free him upon the capture of the Brittles -- dead or alive. Success leads Schultz to free Django, though the two men choose not to go their separate ways. Instead, Schultz seeks out the South's most wanted criminals with Django by his side. Honing vital hunting skills, Django remains focused on one goal: finding and rescuing Broomhilda, the wife he lost to the slave trade long ago. Django and Schultz's search ultimately leads them to Calvin Candie, the proprietor of "Candyland," an infamous plantation. Exploring the compound under false pretenses, Django and Schultz arouse the suspicion of Stephen, Candie's trusted house slave.
