Buzzed Driving is Drunk Driving **The Consequences Aren't Worth the Risk**

- The holiday season is particularly dangerous. That's why **MCLB Albany** is joining highway safety partners and law enforcement organizations across the nation to remind people during December and throughout the year that ***Buzzed Driving is Drunk Driving*** and that drinking and driving don't mix.
- When you drink and drive, you are putting your life and the lives of others at risk. Be responsible, and don't let your holiday celebrations end in tragedy.
- Getting caught for impaired driving can also result in arrest, loss of driving privileges, higher insurance rates, lost time at work, court costs, fines, and attorney's fees, and many other unwanted consequences.
