

MCLB ALBANY SAFETYGRAM

Do you remember Driver's Ed?

The majority of vehicle operators have taken some type of driver's education course for some reason in their lifetime. Unfortunately, we tend to get complacent and develop driving habits as we gain experience.

The lack of Attention to detail on the part of the driver contributes to nearly all vehicle mishaps aboard MCLB Albany. If you are interested in enhancing your defensive driving skills, the National Safety Council can help.

Below are the login instructions to access the National Safety Council's defensive driving course. This course can be taken online and in short sessions. You can print a Certificate of Completion and check with your insurance company to see if you qualify for a discount.

New Students

1. Go to www.safetyserve.com/usmc
2. Click on "New Student" and then click "New Student Registration".
3. Type in "MCLALB" as your ACCESS CODE and click on "Submit".
4. You will be presented with a registration page. Type in your information, including a Login ID and a password of your choice. Click on the "Submit" button. (**Please note** – you will receive a confirming email reminding you of the registration information for access to the site at a later date as a Returning Student. **Do not register again as a New Student.**)
5. You will be presented with the "My Courses" page. Click on **Safety** and then click on **NSC Defensive Driving 9** under available courses to begin the course.
