

MCLB ALBANY SAFETYGRAM

Play it Safe

**— Shop Smart this
Holiday Season!**

Keep deflated balloons away from children younger than 8 years old. Discard broken balloons at once. Avoid small balls and toys with small parts for children younger than age 3.

Get the right size helmets and safety gear for children using bikes, scooters, skateboards and skates. Ensure they are worn properly while riding or skating.

Many toys aimed at older children contain small pieces which could be swallowed by a small child. High powered magnet sets are dangerous and should be kept away from children under age 14.
