HOLIDAY SAFETY

Avoid the 12 Dangers of Christmas

Learn from the mistakes of the naughty Christmas elf as you and your loved ones celebrate the holiday season.

1 Do not use electronics near water.

2 Never sleep with electronics under your pillow.

3 Keep batteries safely stored in their packaging; they can be deadly if swallowed.

4 Do not leave space heaters unattended when in use.

12 Keep your natural Christmas tree hydrated and water it daily.

5 Keep decorations at least 3 feet away from any open flame.

11 Inspect all decorations and discard any that are damaged or worn.

6 Never play with fire.

10 Always turn off decorations when you're sleeping or leaving your home.

9 Sometimes less is more; be careful not to over decorate.

8 Do not overload outlets.

7 Do not run cords under carpets, rugs, furniture, or out of windows.

There's no greater gift you can give your family than a safe and happy holiday!
