

MCLB ALBANY SAFETYGRAM

2026 MCLBA VPP ASSESSMENT SURVEY

As part of our continued commitment to safety excellence, MCLBA will be conducting the 2026 Voluntary Protection Program Assessment survey. This important survey is designed to gather feedback from personnel at all levels regarding the effectiveness of our safety program, leadership engagement, and employee involvement. Your participation is essential, by sharing your honest and thoughtful input, you'll help identify areas for improvement to ensure our safety culture continues to grow stronger. The survey is **anonymous**, and responses will be used to enhance workplace safety across the installation.

The survey will be available from 1 August to 31 August 2026. All Marine Corps Logistics Base Marines (MCC 066) and Civilian Marines are strongly encouraged to complete it by copying and pasting the link in your browser <https://semperfisurveys.org/survey/3472257> or scanning the QR code.

Thank you for your commitment to a safer MCLBA.
