b. An off-limits establishment is defined as any business, building, place, structure, vehicle, conveyance, or area which military personnel are prohibited to patronize, enter, visit, or ride. In accordance with reference (c), the Installation Commander has the authority to place an establishment off-limits if it is determined to be harmful to the welfare and safety of Marines, Sailors, and their dependents. Visiting these places violates reference (c), which is a Punitive Order for which violators may be punished under the Uniform Code of Military Justice (UCMJ). As a matter of policy, a change in ownership, management, or name of the off-limit establishment does not, in and of itself, revoke the off-limits restriction. Accordingly, the CO MCLBA, based on recommendations from the AFDCB, has declared the above areas/establishments as off-limit areas to all Armed Forces personnel. Since off-limit areas/ establishments may have the potential to change names and identifying features; these addresses, locations, and general descriptions will make them clearly identifiable despite superficial changes that may be done to them. The listed off-limit areas/establishments will remain off-limits until deleted from this list by subsequent changes to the Bulletin. Entering the premises of the off-limits areas/establishments listed in this Bulletin are punitive under the UCMJ. Additionally, the following locations have been identified and listed as Areas of Caution:
