

# DOD SKILL BRIDGE BRIEF

## BRIEF DATES

September 25

October 10

9-10 AM

Bldg 7122

Register 2 days before  
each brief

The Skills Development Program offers a variety of courses to transitioning Service Members within their last six months of service. All courses train in high-need industries and offer high probability of securing employment as each course provides job interviews, placements, or certifications. It is best to begin the application process early. To learn more about the SDP courses, eligibility and application procedures, please attend a SkillBridge Brief and get all of your questions answered.
