An off-limit establishment is defined as any business, building, place, structure, vehicle, conveyance, or area which military personnel are prohibited to patronize, enter, visit, or ride. In accordance with reference (c), the Installation Commander has the authority to place an establishment off-limits if it is determined to be harmful to the welfare and safety of Marines, Sailors, and their dependents. Visiting these places violates reference (c), which is a Punitive Order and violators may be punished under the Uniform Code of Military Justice (UCMJ). As a matter of policy, a change in ownership, management, or name of the off-limit establishment does not, in and of itself, revoke the off-limits restriction. Accordingly, the CO, MCLB Albany, based on recommendations from the AFDCB, has declared the following areas/establishments as off-limit areas to all Armed Forces personnel. Since off-limit areas/establishments may have the potential to change names and identifying features; these addresses, locations, and general descriptions will make them clearly identifiable despite superficial changes that may be done to them. The listed off-limit areas/establishments will remain off-limits until deleted from this list by subsequent changes to the Bulletin. Entering the premises of the off-limit areas/establishments listed in this Bulletin are punitive under the UCMJ. Additionally, the following location has been identified and listed as an *Area of Caution*:

Blocks 300 through 700 on West Highland Avenue Albany, GA; specifically, between the hours of 2000 - 0600.

b. The contents of this Bulletin will be widely disseminated to all Armed Forces personnel stationed, temporarily assigned, or visiting MCLB Albany. This Bulletin will be posted on command/organizational read boards and the Base webpage.

c. In accordance with reference (b), the President of the AFDCB is responsible for publishing an accurate and current listing of those areas/establishments declared off-limits quarterly.

5. Reserve Applicability. The provisions of this Bulletin are applicable to all military Tenant Commands residing therein.

6. Point of contact for this letter is First Lieutenant Nathalie J. Camacho at (229) 639-6994 or nathalie.camacho@usmc.mil.
