The School Liaison/Exceptional Family Member Program will be hosting our annual Educational Summit. This event will highlight Superintendents from the local school systems (Dougherty, Lee and Worth), Headmasters from private schools, Presidents or representatives from local colleges and universities that participate in the dual enrollment program, Southwest the Georgia Homeschool Association, Special Education Directors, and Transportation Directors.

Each leader will be given an opportunity to showcase their school and briefly explain their programs.

We are inviting all active duty families aboard MCLBA installation interested in hearing information about the various school districts and educational opportunities offered to our active duty families.
