## 2024 MCLBA VPP ASSESSMENT SURVEY

The VPP Assessment Survey is an **anonymous** tool that aids commanders and senior leadership in assessing the knowledge and implementation of OSHA's VPP within the organization. It involves analyzing information from the workforce through an online survey that measure the workforce perception of VPP.

Per MCO 5100.29C, Vol 1, Ch.6, par. 0601.D. & par. 0604, *"the command shall complete a safety climate survey using the Ground Climate Assessment Survey (GCAS) **annually** and within 90 days of change of command"*. We have been authorized by MCICOM to take the VPP Assessment Survey vice the Ground Climate, since we are a VPP Star Worksite. The survey is administered by HQMC Safety Division and Semper Fi Surveys.
